

iBooks Author Deployment (macOS App)

Description

Member of iTunes U? Need to get iBooks Author out to your staff? We can do that.

Ingredients

- FW Central
- 10.7 (Lion) or higher
- iBooks Author.app already installed

Directions

1. Log onto the FileWave server with FileWave Admin as an account that has permissions to create Filesets.
2. With FileWave Admin running, drag and drop the installed iBooks Author.app from the Application folder onto the FileWave Admin window while in the Filesets view is foremost.
3. Now go to the Associations window to assign who gets the software.
4. Update the FileWave Server Model.
